Newsletter

10 July 2024

Here we are at the end of another school year!

I do hope you all enjoyed Speech Day on Saturday. It is such a lovely way to celebrate all your daughters have achieved and done throughout the year. I would like to take this opportunity to congratulate the four Form VI girls who delivered speeches on Saturday. You were all phenomenal, bravo ladies! Those of you who returned in the evening for the Soiree will, I am sure, agree that it was fantastic fun and thank goodness the English football team did not dampen our spirits! I like to think the girls who cheered on all those penalty shots were forming a special life-long memory! We raised around £800 from the auction so thank you to all who donated items for the hampers and those who had winning bids on the night!

We had a fun sports day on Monday morning whilst there was a break in the rain! We could not do any real races due to the ground be slippery but the egg and spoon relay was great fun! There were four events and the winners were the Goldfinches!

Unfortunately, we are still no further along with knowing key information about the new Government's intention to apply VAT to fees. Further information from the Government is not expected to arrive immediately on this, nor is there expected to be any implementation ahead of the new school year. Rest assured that as soon as they do announce the details, we will assess what it all means for us and you and write to you with further details.

On a brighter note we had 'Moving Up Day' yesterday and welcomed several new families to the CHP family! I am sure your daughters have notified you who their form teachers are next year and all about their taster lesson in the next year group up. Please note the information evening is on Thursday 5 September as this will be your first opportunity to meet your daughter's Form Teacher and hear about the routines and processes for her new year group.

We have had the leavers assembly today and the Form VI girls are now looking forward to a busy afternoon and evening of creating more CHP memories! You have been a great Form VI. I have no doubt you are about to spread your wings and show your next school what being a CHP girl is all about! We won't say goodbye as I am sure you will all be popping back on your INSET days and you are always welcome at our PTA events!

I hope those of you going to the Women's International T20 at The Oval on Saturday have a fabulous evening. I am afraid I won't be joining you but Mrs Muchmore, Mrs Mulligan, Mrs Duncan and Mrs Patel will be there cheering the English team on with our families and friends.

I would like to take this opportunity to wish you all a very happy and restful summer. Let's hope the sun makes a swift return and of course "Come on England!"

Penny Woodcock

Excellence Book

Radhika	Form VI	French
Holly	Form IV	Maths
Hana	Form IV	Spanish
Lila	Form IV	Spanish

The following commendation certificates have been given out:

Silver Certificate

Sariah (IV)

Gold Certificate
